

Alphacool Front IO Kabel Kit USB 2.0 & 2Pin (female connector/female connector)

Alphacool article number: 25048

Aquatuning article number: 1020236

The Alphacool I/O front panel connection cables fit the Alphacool I/O front panels for server racks. The cable set consists of a total of 8 cables with a pure cable length without connectors of 80 cm. There are seven cables on 2-pin cables for network LEDs, power and reset switches and the HDD LED. One cable serves as USB 2.0 connection cable with the typical 9-pin header.
